DESCRIPTION

The chalet offers spacious ensuite bedrooms many of which benefit from either their own private balcony, or adjoined walk-in dressing room, meaning plenty of storage space, and room to relax. The amazing views are without doubt best appreciated from the main ground floor level, where the large French windows open onto your balcony with bubbling hot tub. The living room, kitchen and dining area occupying this main level have a modern, spacious, and open-plan feel. The living area is a great place to relax in the evenings after a day on the
