DESCRIPTION

The lovely mas, of over 400sqm was built in 2012 to an exacting high standard and boasts some clever architectural features with spacious high ceiling living rooms and a host of high spec equipment. It has been decorated and furnished by the creatively inspired owners with a lot of loving care and attention to detail in a contemporary Provencal style. The mix of wonderful photographs and paintings adorning the walls are particularly appealing. Above all else, this is a home not just a house, with all the creature comforts one could ask
